

Enchanting Ceahlau.

# Fanging around *Romania*

*Transylvania is not just about Vlad the Impaler (aka Dracula).  
It happens to have some of the best motorcycle roads the  
world doesn't know about yet*

**A**ny minute now, everyone else is going to discover Romania's spectacular scenic roads, winding mountain passes and legend-rich medieval villages and castles, and you may miss the opportunity to have a mapful of breathtaking rides almost to yourself.

When you start dreaming about a riding destination in Europe, Romania probably doesn't immediately leap to the head of the list, but after reading this, you may change your mind. In any case, Romania, strategically placed in Central Europe and with a long wedge of coastline on the Black Sea, would be a great addition to an existing holiday itinerary or business trip.

The enduro fraternity, which can legally ride off-road nearly all over the place there, is already going psst! to everyone who will listen. Now it's our turn to ride new ground — which can be done easily, as it happens. The Best of Transylvania Motorcycle Tours will rent you a bike, show you the absolute best in riding roads →

There are plenty of roadbike-friendly dirt roads.
